Article I

DEFINITIONS

Section 8-1 Definitions

For the purposes of this chapter, unless otherwise specifically provided or unless clearly required by the context, the following words or phrases shall have the meanings respectively ascribed to them by this section:

Agent means the person having authority to represent a manufacturer, producer or distributor of goods or services.

Business means any trade, occupation, profession or other activity engaged in by any person or entity or caused to be engaged in by any person or entity for gain, profit, benefit or advantage, direct or indirect, except that such term does not include occasional or isolated sales or transactions by a person or entity who does not hold themselves out as engaged in a business.

(1) A person “conducts a business” when that person engages in one act of any business. If a person or entity is (i) listed in the yellow pages of the telephone directory issued by a telephone system serving the Town, or (ii) listed on the internet or other forms of electronic media, as a business, or (iii) has taxable business valuation property listed in Orange County, that shall be prima facie evidence that the person is conducting a business.

(2) A person or entity conducts a business “within the Town” when that person maintains a business location within the Town or when, either personally or through agents, that person (i) solicits business within the Town, or (ii) picks up or delivers goods or services within the Town.

Electronic gaming operation means any business enterprise, whether as a principal or accessory use, where persons utilize electronic machines, including but not limited to computers and gaming terminals (collectively the “machines”), to conduct games of chance, including sweepstakes, and where cash, merchandise or other items of value are redeemed or otherwise distributed, whether or not the value of such distribution is determined by electronic games played or by predetermined odds. Electronic gaming operations may include, but are not limited to, internet cafes, internet sweepstakes, electronic gaming machines/operations, or cybercafés. This does not include any lottery approved by the State of North Carolina or any operations conducted by nonprofit organizations or entities.

Fiscal year means the period beginning with July 1 and ending on June 30 next following.

Gross receipts of the business means (i) for a business with its principal place of business within Carrboro's corporate limits, total receipts from all sales of goods or services, and (ii) for businesses not having a principal place of business within Carrboro's corporate limits, total receipts from sales or services generated within Carrboro's corporate limits.

Town Manager means the duly appointed Town Manager of the Town of Carrboro or the Town Manager's designee.

Section 8-2 Construction of this Chapter

This chapter is enacted primarily for revenue purposes, and therefore it should be construed to require payment of the maximum tax permitted by its terms. A secondary purpose of this subchapter is to prevent the operation of covered businesses until the person or entity applying for the license has complied with certain Town ordinances. Issuance of a license pursuant to this subchapter does not excuse the licensee from compliance with any other ordinance or statute. This chapter does not prevent the Town from increasing or decreasing the amount of any license tax or regulating any business taxed.

Article II

LEVY OF TAX

Section 8-3 License and Payment of Tax Required

Subject to Section 8-4, no person or entity may conduct any business within the Town until it has paid the tax required by this chapter and been issued a valid privilege license pursuant to this chapter. Privilege licenses shall be renewed, and privilege license tax shall be paid, annually in accordance with this Subchapter I.

Section 8-4 Exemptions

- (a) If an individual conducts a business as a partner in a partnership or as an officer or employee of a corporation or as an employee or member of any other business entity, that individual is not required to obtain a privilege license or pay a privilege license tax. However, the partnership, corporation, or other business entity must obtain the license and pay the tax unless exempted by this section.

- (b) Owners of real property who lease that property need not obtain a privilege license or pay a privilege license tax solely for acting as lessor of that property.

- (c) A person who operates a business as a not-for-profit religious, educational, civic, patriotic, charitable, or fraternal organization, registered with the State of North Carolina is exempt from obtaining a privilege license and from paying a privilege license tax.

- (d) Blind persons and persons who serve in the United States Armed Forces or the Merchant Marines are exempt from obtaining a privilege license and from paying any privilege license tax levied by this chapter to the extent formerly provided by G.S. 105-249 and G.S. 105-249.1 which have both been repealed.

- (e) Persons or entities who pick up or deliver goods within the Town are not required to obtain a privilege license or pay a privilege license tax based solely on the pick up or delivery of goods as part of a transaction for the purchase and sale of such goods, where the purchaser and/or seller of such goods has a valid privilege license. (For example, a soft drink distributor not located in Carrboro may deliver a truck load of soft drinks to a grocery store in Carrboro without becoming liable to pay a privilege license tax or to obtain a privilege license because the grocery store in Carrboro does possess a privilege license and pays a privilege license tax.) Provided, however, that local courier services or delivery services who pick up and deliver goods for compensation, with a principal place of business within Carrboro's corporate limits shall be required to comply with the requirements of this Subchapter I.

(f) This section does not apply to the businesses that are exempt by State law from obtaining a privilege license or paying a privilege license tax as provided by the indicated section of the General Statutes.

(g) Any business whose sole business activity within Carrboro's corporate limits is the sale or provision of goods or services at events conducted on Town-owned property shall be exempt from the requirements of this Subchapter I. Provided, however, that if such business conducts any other business within Carrboro's corporate limits it shall be subject to this Subchapter I with respect to revenues generated by such other business.

Section 8-5 License Tax Schedule

(a) Subject to the provisions of subsections (b) and (c) of this section, all persons and entities conducting nonexempt business within the Town shall pay a privilege license tax in an amount based upon the annual gross receipts of that business during the previous year. The privilege license tax schedule shall be included in the Town Miscellaneous Fees and Charges Schedule and may be amended periodically by resolution of the Town Council, provided that amendments to the privilege license tax schedule shall become effective beginning the first fiscal year that occurs more than two months after the changes are adopted.

(2) If the business has been in operation for a period of least three months, but less than one year, on the date the privilege license application is due, then the amount of the tax shall be calculated by (i) estimating the annual gross receipts by dividing the actual gross receipts for the number of whole months the business has been in operation by that number of months, and multiplying that result by twelve, and (ii) determining the tax by using the estimated gross receipts in reference to the table set forth in subsection (a)1) above. (For example, if a business commences operation on March 1st and generates \$20,000 in gross receipts by June 30, the privilege license tax due would be calculated as follows: \$20,000 divided by 4 months (March, April, May, June) equals \$5,000, times 12 equals \$60,000; estimated gross receipts for privilege license tax purposes is \$60,000).

(3) If the business has not been in operation for at least three months on the date the privilege license application is due, or if the business is conducted or is intended to be conducted for not more than a total of ten days in any twelve-month period, then the amount of the privilege license tax shall be \$25.00.

(b) The businesses with rates fixed by state statute, incorporated within the Town's Miscellaneous Fees and Charges Schedule as "Schedule of Fees for Businesses Established by State Statute," shall pay a privilege license tax equal to the amount stated in the fee schedule. If substantially all the gross receipts of a business are derived from a single business activity that is subject to a rate fixed by the state, then that business shall pay a privilege license tax equal to the amount listed in the Schedule of Fees for Businesses Established by State Statute only. If only an insubstantial portion of a

business's gross receipts are derived from a business activity whose rates are fixed in state statutes, then such business shall pay a privilege license tax as fixed by state statute plus an amount determined by application of the schedule established by subparagraph (a) to the gross receipts of the business minus the portion of its gross receipts derived from the business activity that is fixed by state statute. The privilege license fees, shall be maintained on file in the Town Clerk's office within the miscellaneous fees and charges schedules approved annually by the Town Council in connection with the annual budget ordinance.

(c) Notwithstanding the provisions of subsection (a) of this section, all persons and entities engaged in the business of an electronic gaming operation within the Town shall pay an annual privilege license tax in the amount of one thousand dollars (\$1,000) plus five hundred dollars (\$500.00) per electronic gaming machine used or stored as part of the electronic gaming operation.

Article III

LICENSES

Section 8-6 Licenses as Personal Privilege and Non-Assignable; Exception

Every license issued under this chapter shall be a personal privilege and shall not be assignable; except, that when any business carried on at a fixed place designated in the license issued therefor is sold as a unit to any person or entity and the purchaser thereof is to carry on such business at the same place, the license for such business may be assigned to such purchaser who, upon delivery of such license properly assigned to the Town Manager, together with a written and signed statement that such business has been sold as a unit and that the purchaser is to carry on the same at the same place of business, shall be entitled to have a new and appropriate license issued to that person; provided, that any business requiring special approval from any local governmental entity shall not have such license issued until such special approval has been duly obtained from the proper authority.

Section 8-7 License Year; When Tax Due and Payable

- (a) The taxes levied by this chapter are levied as of July 1 for the fiscal year beginning with such day.
- (b) In the case of businesses operating under a prior license, the license tax levied as of July 1 shall be due and payable not later than July 31. Payments made after July 31 shall be subject to a late payment penalty equal to five (5%) percent of the tax due or five dollars (\$5.00), whichever is greater.
- (c) In the case of any business which is begun after July 1, the tax shall be due and payable before the business is begun.

Section 8-8 Separate Businesses; Multiple Businesses

- (a) A separate license is required and a separate tax must be paid for each separate place of business operated within Carrboro's corporate limits by the licensee.
- (b) If two or more separate taxable businesses are operated at the same location by the same licensee, the Town Manager may issue one privilege license upon the payment of the total amount of taxes due for all businesses operated at the same time.

Section 8-9 New License Required Upon Alteration in Nature of Business

When a license is issued to carry on a certain line of business and, after the issuance of such license, the licensee shall so change or alter the licensee's business as to bring it under a classification for which a higher license tax is required, the licensee shall, before making such change, deliver its license to the Town Manager, together with a written and signed statement as

to the nature of such proposed change, and shall pay to the Town Manager the proper additional license tax. The Town Manager shall thereupon cancel the old license and shall issue to the licensee a new and appropriate license.

Section 8-10 Application

(a) Generally. Every application for a license required by this chapter shall be made in writing to the Department of Management Services upon a form provided by the Town. Such application shall be signed by either the applicant or its agent and shall furnish all the information as provided on the form.

(b) Statement of gross receipts. When the amount of the tax to be paid depends on gross receipts, applicants for a license shall render to the Town Manager a sworn statement of the gross receipts of the business (as defined in Section 8-1), and upon an applicant's failure to render such a sworn statement, the amount of tax to be paid shall be \$200.

(c) Confidentiality. To the extent permitted by law, all information regarding gross receipts furnished or secured under authority of this ordinance shall be kept in confidence by the Town Manager and used solely for the administration of this chapter. Provided that summaries of the information may be shared with other Town officials for purposes of research, analysis, and budgetary matters.

Section 8-11 Additional Information Required of Solicitors

In addition to the information furnished by applicants on the application form as provided in section 8-10, every solicitor subject to the provisions of Article VII of this Subchapter I, who applies for a license shall furnish to the Town Manager the name and address of the person whom they represent, together with a description of the goods or services which they offer for sale. No license shall be issued to any solicitor who does not provide such additional information.

Section 8-12 Approval by Town Council, etc., and Compliance of Applicant with Chapter Prerequisite to Issuance of License

The Town Manager shall not issue any license when the application therefor is refused by the Town Council or by any local government board, commission or official, in any case where the approval of the Town Council, or of such other local government board, commission or official, is required before business may commence, nor shall the Town Manager issue any license until the applicant therefor has complied with every provision of this chapter, including the execution and delivery of any bond required.

Section 8-13 Reasons for Refusal or Revocation of a License

The Town Manager shall refuse to issue a license, or shall revoke a license already issued, for any of the following reasons:

(1) The applicant misrepresents a fact relevant to calculating the amount of tax due or the applicant's qualifications for a license.

(2) The applicant refuses to provide information necessary to compute the amount of tax due.

(3) The applicant has not obtained a certificate of occupancy or other state or local government approval required by law as a condition precedent to conducting business when required to do so by local ordinance.

(4) The administrator charged with the enforcement of the following codes or ordinances has certified to the Town Manager that the applicant has been found to be in violation of the law enforced by the administrator and has either failed to appeal that determination within the time provided or has exhausted all administrative and judicial appeals: North Carolina State Building Code, Zoning Ordinance, Subdivision Ordinance, Chapter 11 or 12 of the Town Code.

Section 8-14 Unqualified Applicants; Right to a Conference

(a) If, after receipt of the completed application, the Town Manager believes that a reason exists to deny a license under Section 8-13, the Town Manager shall refuse to accept payment of the tax and shall not issue the license. At the applicant's request, the Town Manager shall, pursuant to Section 8-22, give the applicant a written statement of the reasons for refusing the license. The applicant may, within ten days after receipt of such statement, request a conference to discuss the denial. Such request shall specify why the application should not have been denied. The Town Manager shall arrange the conference within a reasonable time, not to exceed thirty days after receipt of the request for a conference.

(b) If the Town Manager denies a license application, the applicant may reapply for a license at any time thereafter. If the reason for which the application was initially denied no longer exists, and if no other reason exists to deny to issue a license, the Town Manager shall issue the license pursuant to Section 8-15.

Section 8-15 Town Manager to Issue License; Payment of Tax a Prerequisite

If, after receipt of the completed application, the Town Manager believes that no reason exists to deny a license under Section 8-13, the Town Manager shall determine the amount of tax due and notify the applicant of that amount. The Town Manager shall not issue a license until the tax is paid.

Section 8-16 Amount of Tax Disputed

If the applicant disputes the amount of tax the Town Manager determines to be due, the applicant may either refuse to pay the tax and request a conference with the Town Manager to discuss the determination, or pay the amount and request a conference to discuss the applicant's right for a

refund. If a conference is requested, the Town Manager shall arrange it in a reasonable time, not to exceed thirty days after receipt of the request for a conference. However, if the applicant refuses to pay the tax in the amount calculated by the Town Manager, no license shall be issued and the applicant shall not conduct business within Carrboro's corporate limits until the proper tax is paid.

Section 8-17 Revocation

(a) The Town Manager shall revoke a license if reason exists to revoke it as set forth in Section 8-13. The Town Manager may also revoke a license to operate a motor vehicle towing business within the Town if the Town Manager concludes that the licensee has violated the provisions of Article IX of this chapter. Before the Town Manager may revoke a license, the Town Manager shall give the licensee ten (10) days advance written notice of the grounds for revocation, pursuant to Section 8-22. The licensee may, within ten days after the day on which the notice is served, request in writing a conference with the Town Manager. The request shall specify the reasons why the license should not be revoked. The Town Manager shall arrange the conference within a reasonable time, not to exceed thirty days. The licensee may continue to operate its business until the conference is conducted.

(b) If the licensee fails to request a conference within ten days after the day on which notice is served, the Town Manager shall revoke the license. If the licensee requests a conference, the Town Manager may not revoke the license until after the conference.

(c) If the Town Manager revokes a license, the former licensee may apply for a new license at any time thereafter. If the reason for which the license was revoked no longer exists, and if no other reason exists to deny a license, the Town Manager shall issue the license pursuant to Section 8-15; provided that, if a licensee has violated the provisions of Article IX of this chapter, a new or renewal license may not be issued for a period of three months after the effective date of the revocation.

Section 8-18 Form and Contents; Town Manager to Keep Copy

Every license issued shall show on the face thereof the name of the licensee, the nature of the business and the location thereof (provided such business has a fixed location), the time for which issued, the amount of the tax and the penalty, if any, paid. Any license requiring the approval of the Town Council, or of any other local government board, commission or official, shall indicate such approval on its face. The Town Manager shall keep an exact copy of each license issued, including the approval of the Town Council or of any board, commission or official endorsed on the face of the same.

Section 8-19 Display

Every license must be prominently displayed at the place of business of the licensee named therein or, if such licensee has no fixed place for doing business, such licensee must keep such

license wherever such business is being operated and in a place where it can be seen at any time by an official to inspect the same.

Section 8-20 Duplicate Licenses

The Town Manager shall, when requested, issue duplicate licenses when such evidence as the Town Manager may require is presented to show that the original has been lost or destroyed. The fee fixed by the Town Council from time to time shall be paid for each duplicate license so issued.

Section 8-21 Record of Conferences

The Town Manager shall maintain for three years a written record of each conference held pursuant to this article. The record shall contain the applicant's or licensee's name, a copy of the applicant's or licensee's written request for a conference, the date of the conference, and a brief statement of the issues discussed and the result reached. A copy of this record shall be served upon the applicant or licensee in the manner provided by Section 8-22. After three years the Town Manager may dispose the record pursuant to G.S. 121-5.

Section 8-22 Providing Notice to an Applicant or Licensee

Whenever this chapter requires the Town Manager to provide a written statement or notice to an applicant or a licensee, the Town Manager may do so in any one of three ways:

- (1) By personally delivering the statement or notice to the applicant or licensee.
- (2) By mailing the statement or notice by registered or certified mail, return receipt requested, to the address specified for that purpose in the licensee application.
- (3) By causing the statement or notice to be served on the applicant or licensee in accordance with the procedures for service or process under Rule 4, North Carolina Rules of Civil Procedure.

Section 8-23 Exemptions from Tax – Businesses Operated by Religious or Charitable Organizations

The license taxes levied by this chapter shall not apply to any business operated by any strictly religious or charitable not-for-profit organization registered with the State of North Carolina Secretary of State when the proceeds of such business are for the exclusive benefit of such organization.

Section 8-24 Exemptions Limited to Those Provided for by Code and State Law

Except as provided by section 8-4, 8-23, in the Town's Miscellaneous Fees and Charges Schedule, or as otherwise provided by State law, no business conducted within Carrboro's limits shall be exempt from the payment of the license taxes levied by this chapter.

Section 8-25 Revocation of Prior License for Late Payment of Tax; Refusal to Issue New License until Tax Paid

The privilege license tax is due each year. If a business fails to pay the privilege license tax when due, its license shall not be renewed, and no new privilege license shall be issued to the licensee for any business conducted within Carrboro's corporate limits by that licensee, until all past due privilege license taxes owed by the licensee are paid.

Section 8-26 Each Day's Operation of Business Without License, After Tax Due and Payable, to Constitute Separate Offense

Each day any person operates any business after the license tax therefore, as levied by this chapter, becomes due and payable, without paying such tax and securing a license for such business, shall constitute a separate offense.

Article IV

ENFORCEMENT AND COLLECTIONS

Section 8-27 Duty to Determine Whether Tax Due

(a) Each person has the duty to determine whether the business that person conducts is subject to taxation under this Subchapter I, and if so, whether the tax has been paid for the current tax year.

(b) If the Town Manager has reason to believe that a person is conducting a business in the town in violation of this Subchapter I, the Town Manager shall conduct an investigation to determine the person's tax liability.

Section 8-28 Notice of Deficiency

If the Town Manager determines that a person has not paid the full amount of tax due under this ordinance, either for the current license year or for a prior license year, the Town Manager shall give the person written notice of the deficiency, pursuant to Section 8-22. The notice of deficiency shall specify: the total amount of tax due; the section of this chapter upon which the tax is based; the amount of tax paid; any interest due; the balance owed; the manner and time period in which the person may respond to the notice of deficiency; and the consequences to the person if that person fails to respond as specified.

Section 8-29 Request for a Conference

A person who receives a notice of deficiency pursuant to Section 8-28 may, within ten days after the day on which notice is served, request in writing a conference. The request shall specify the person's objections to the notice of deficiency. By way of illustration but not limitation, a person who receives notice of deficiency may object on the following grounds:

- (1) That the tax due has already been paid.
- (2) That the Town Manager miscalculated the amount of tax due.
- (3) That the Town Manager based the Town Manager's calculation on incorrect or insufficient information concerning either the nature of amount of business conducted.

Section 8-30 Deficiency to Become Final

If the taxpayer fails to request a conference pursuant to Section 8-29, the Town Manager's determination of deficiency becomes final and the Town Manager shall proceed to collect the deficiency.

Section 8-31 Conference Held

If the taxpayer requests a conference, the Town Manager shall not proceed to collect the deficiency until the Town Manager hears the taxpayer's objections and determines that the deficiency should become final. The Town Manager shall maintain for three years records of each conference held pursuant to Section 8-29, in accordance with the requirements of Section 8-21.

Section 8-32 Collection of Deficiency

(a) The Town Manager may use any one, or a combination, of the following methods to collect a deficiency:

- (1) Criminal prosecution in accordance with subsection 8-34(a).
- (2) Civil penalties in accordance with subsection 8-34(b).
- (3) Equitable relief in accordance with subsection 8-34(c).
- (4) The remedies of levy and sale and attachment and garnishment in accordance with G.S. 160A-207.
- (5) The remedies of levy and sale of real and personal property of the taxpayer within the city in accordance with the provision of G.S. 105-109.

(b) Any person who commences or continues to conduct a business taxed under this chapter without payment of the tax is liable for the additional tax of five percent of the privilege license tax due, but in no event less than Five Dollars (\$5.00), each thirty days that the privilege license tax remains delinquent.

Section 8-33 Appeals

(a) Subject to the provision of this section, a person may appeal to the Privilege License Tax Review Board a decision by the Town Manager:

- (1) That an applicant is not entitled to a privilege license;
- (2) That a licensee's privilege license should be revoked;
- (3) Concerning the amount of tax owed by an applicant;
- (4) That a person has not paid the amount of tax due for current license year or any prior years.

(b) An appeal may be taken only if the applicant has properly pursued and exhausted the applicant's right to have a conference with the Town Manager on any of the matters specified in subsection (a).

(c) An appeal is taken by filing with the Town Manager a written notice of appeal. This notice of appeal must be filed not later than ten days after the appellant is served with the record of the conference as provided in Section 8-22 or 8-31.

(d) The Privilege License Tax Review Board shall hear and decide the appeal within thirty days after notice of appeal is filed, unless the hearing is continued for good cause. The appellant shall be given at least five working days' notice of the date and time of hearing and shall be served with a written copy of the board's decision following the hearing. The burden of establishing the correctness of the Town Manager's decision shall be on the Town Manager.

(e) The Privilege License Tax Review Board shall consist of the Mayor and the members of the Town Council, sitting ex officio. The board may choose its own chairperson and adopt its own rules of procedure, except that three members shall constitute a quorum and decisions shall be made by a majority of those present and voting.

Section 8-34 Enforcement of Chapter

(a) A violation of Section 8-3 constitutes a misdemeanor punishable as provided in G.S. 14-4. Payment of a fine imposed in criminal proceedings pursuant to this section does not relieve a person of their liability for taxes imposed under this chapter.

(b) A violation of Section 8-3 shall subject the offender to a civil penalty as provided for in G.S. 105-236. A violation of Section 8-19 shall subject the offender to a civil penalty of ten dollars (\$10.00). If the offender does not pay the penalty within ten days after the offender has been cited for a violation, the Town may attempt to recover the penalty by filing a civil action in the nature of debt. Payment of this civil penalty does not relieve a person of their liability for taxes imposed under this chapter.

(c) The Town may seek appropriate equitable relief from a court of competent jurisdiction to prevent or redress violations of this chapter.

(d) Each day that a violation of Section 8-3 of 8-19 exists after the person has been notified of the violation shall constitute a separate and distinct offense.

(e) This chapter may be enforced by any one, all, or a combination of the remedies authorized and prescribed by this section.
