Structure Fire – 1144 Smith Level Road

At 10:41pm, September 4, 2015, Carrboro Fire-Rescue Department was dispatched to a report of a structure fire at 1144 Smith Level Road. Crews responded from Carrboro Fire-Rescue Department, Chapel Hill Fire Department, North Chatham Fire Department, and White Cross Fire Department. Additionally, Orange County Fire Marshal's office and the SBI responded. Upon arrival, crews found the home to be fully involved with smoke and flames visible. Crews performed an aggressive fire attack, however, the structure was a total loss.

According to tax records the home was valued at \$105,657. One civilian fatality and two non-life threatening firefighter injuries occurred. The fire is still under investigation at this time.

The residence was not protected with residential fire sprinklers.

Carrboro Fire-Rescue would like to thank Chapel Hill, North Chatham, and White Cross Fire Departments for their Mutual Aid response and assistance.
